Introduction... please review these notes before you read the transcripts . . .

- A note about Filipino names. You will see the name Eugene below. In the Philippines all vowels are sounded. **The name is pronounced as Eugenie.**
- There is a little bit of a couple of Filipino dialect words in this transcript. As this is a faithful transcript it cannot be helped.
- There are typos. They were part of the actual transcript so I left them in.
- **Gensan** is [General Santos City](#), Philippines. Both Gensan and [Ozamis City](#) are on the Philippines Island of Mindanao. However Ozamis City is in an area of Mindanao where both the [Moro Islamic Liberation Front](#) (MILF [really!]) and [Abu Sayyaf](#) are operating.

This is non-fiction. If you think you recognize someone in **this true story**, you are wrong. I have changed each enough that if you have a match, well then you don't. I made these changes knowing that anything written would eventually fall into the wrong hands.

Robert: No it is normal

Robert: I am just a normal guy.

Johna : ok me and sister will good for u and obey u to all your rules

Johna : so that u are happy to both of us hope we go there soon so that we have no problem about foods

Robert: My rules are simple. No lying, no cheating, no arguing... you are either in slippers or high heels, Shaved pussy, small panties, short dresses, skirts or shorts, Always dress nice and stay looking pretty for me in public and private. Sex every day from at least one of you. If one has her period the other is in my bed. You will swallow my cum. You will bring me other women if I tell you to do so. You will keep the house very clean at all times. Do the wash and iron the clothes.

Johna : well that is simple to do it

Johna : for u to make u hapy

Robert: Yes. I am not a monster. I do not hit, I do not yell.

Robert: I do not intentionally hurt you

Johna : ok

Johna : good we just make sex and do much in bed

Johna : i will swallow your cum

Johna : u teach me all

Robert: Yes but I must see the two of you on the webcam. And then I must find the time to meet you in Cebu

Johna : ok that is not a problem im still sign in , yahoo sucks here

Johna : my sister suck your cock and i do kiss u

Johna : well any time we can meet

Robert: After I see the two of you on the cam. Is there a place you can go at night to do that?

Johna : well yes u mean private room ?

Johna : yes they have a private room here

Robert: No, just want to see you live... not a sex thing.

Johna : well ah okay well dont worry we are good for u

Johna : well if u see us now then we meet ?

Robert: I must see you and THEN I will find the time to meet you,

Johna : yes i want that also

Johna : we do kind of things that we did not do and we want to know all

Johna : and u teach us in bed also

Robert: You will in all ways function as a wife - each of you - without the marriage. Doing the shopping, keeping the house, entertaining my friends with me, all that goes into a life, including TV, and just hanging out.

Johna : yes we do all u want and obey u good in all ways

Johna : we give u happiness

Robert: We are talking about a life and you are thinking only about the sex. I want the sex... that is very true, but I understand that once you get here there will be more than sex

Johna : yes will this first time we want it good for u yes

Robert: It will be good. Sex is GOOD when done with LOVE and there will be loving concern so long as you are who you say you are, But first things first. First I must see the two of you together and in all honesty now I must get back to work.

Johna : yes if u sex to a person it has be loved in eachother

Johna : u do in bed cause u like

Johna : well why she is look not her ?

Johna : well shes my sister and shes is what she is as long we are good girls for u

Johna : well we want meeting u and we look forward on it

Johna :

Johna : hey

Johna : have cam now and clear face

The transcript ended as Robert's office and the surrounding area lost commercial power for three hours. Robert never saw Eugene again that day. There were some SMS Texts later that day that were not saved. In them, Robert again says that the "sister" on the cam was ugly and not at all like the second girl in the photos. Johna declares her sister to be more beautiful than she is. Johna again presses for a meeting in Cebu.

Robert is having none of this and puts his foot down. He has to see and accept Eugene via CAM or she is excluded. Robert thinks the girls were trying to play him and he is losing interest. She asked for money for food. Robert is pissed and reminds her that she will see no money until they are together. Johna then says OK just fly her to Cebu.

Robert decides to make things difficult for Johna and maybe (I am guessing here based on my conversation with Robert this morning) he hopes she will back out. He adds a wrinkle for Johna. If he flies her to Cebu alone, how will he know she will eat pussy? She promises but Robert says he needs proof. He lays out the process: When she arrives, he will check for her hymen. If it is not there, she is returned to where she came, untouched. If she is a virgin, she has to perform without shyness and accept. She has to prove she will eat pussy as well as his cock. If he accepts her, he will fly her back to Gensan to be his mistress and his maid. She says she understands and returns to the concept of her sister. Robert reminds her that her sister has best be pretty when he sees her again.

Johna stops talking about her sister and suggests she get a 19 yo friend from the provinces to join them. Robert reminds her that the friend has to be pretty and willing. Further he might add the girl if he likes her well enough.

Johna assures Robert that the girl is, but she lives an hour away.

Since that series of SMS texts there has been no contact.

Before I paste in this section I need to add some comments that Robert made to me in the email that contained these transcripts. He also said as much to me by phone.

[WVA],

Look I have read your stories with something of a 'I bet it's not so easy nor so casual to be with a very underage girl'. It just so happens that I don't want one. But at some point in the chat, I decided that I had to find out how far you really could go before someone said 'no.' What I absolutely did not expect was the yes I got. In truth I was almost hoping these two girls would say 'no' and back out entirely. But they said yes. I am at least a reasonably decent guy and will treat them well. If they are going to be this easy to 'harvest' better me than some sex trader who will turn them into a meat market. I read you stories not completely believing... now I believe.

All the best,

Robert

P.S. I have attached the true transcripts. God help me. What a 64yo will do with two 18yo girls I do not know. But you know my wife. She just as soon never have sex and the ability to get maid service and not have me bug her for sex was something she was more than willing to accept so long as she was still the wife.

Nice to chat with u

I feel the same.

Thank u,we are excited to meet u soon

Take a breath Johna. You are about to lose your virginity to a man who will never marry you. You will be his slave/mistress/maid for life and give him children. I am more than happy with that deal. Think real hard. Are you?

I already think about it and i gave it to u as jessica also

Why is it good for you and Jessica?

Well we knw u can take care of us and have good future

What if I am everything I say and you think. But I say some day. "Bring me Jessica's sister, I know how old she is and I don't care?" When do I go from being a good guy to a bad guy. Remember you will have to obey me.

Yes will obey u will give u her sister and she said yes also

Ganun?

Oo ganun

What would the girl's mother and father say?

Well its ok than in mountain no future

Well i knw that but u are good man so its ok

You understand that u are saying Jessica is willing for her sister to do for me the same things u will do for me at her age and I am still an ok man?

Well yes we want to experience and obey so no worrid about anything

Ok, no younger sister. Just the two of you.

Ok i see

Ok me and jessi for now then we can call her when u need her

Ok I am sending for u VERY soon.

Epilogue

Robert met Johna and Jessica in Cebu. At my recommendation to Robert, they stayed at the Marriott by the Ayala Mall. Following which, Robert brought the two girls back to Gensan. Robert has made me promise, not to disclose his address, so that is omitted. The two are as cute as they seemed, and from what I can see, as loyal as they professed they would be.

However, Robert's wife, as much as she had indicated a willingness to accept this arrangement, walked out the door two weeks after the girls arrived. They are not divorcing, but she is now living with her sister and brother-in-law. Robert is giving her some money each month and while they are talking, it doesn't look like his wife will return to him so long as Johna and Jessica remain.

Jessica and Johna do not want to leave and Robert doesn't seem to want them to leave. He can't, and isn't interested in, marrying either of them, but as they are not pushing for that, he feels there is no problem.

Robert's main concern right now is stamina. These girls are like energizer bunnies. I am not crying for the guy. He is chin deep in legal young pussy.

The only area of friction is the daily begging/request that he permit Jessica to bring her younger sister to live there too. For now, Robert is firmly saying 'no,' but I suspect the girls will wear him down. From side conversations my girls have had with Jessica, those two girls are never going to leave Robert and will do anything and everything to make sure he is theirs forever. Evidently, Jessica laughed at the idea of leaving him because he wanted more pussy. As far as she was concerned, Robert could have whatever he wanted, so long as she was in his bed. Jessica figures Robert's wife is nuts. But then – as was pointed out to her, he is still providing for his wife. Yes, Jessica could see that. Marriage did have its good points.
