INT. HOME GAME ROOM - DAY

The scene fades into an ordinary-looking game room that could easily be in the finished basement of any upscale contemporary home. In the center of the room is a heavy oak card table with a green felt top.

Around the table, instead of chairs, are exercise benches with their legs cut short. On each bench, a naked man is bound securely at his ankles, legs, thighs, waist, chest, and wrists. Their heads are closest to the table end of the bench. For this production, they are identified only as MAN-NORTH, MAN-EAST, MAN-SOUTH, and MAN-WEST.

In a clockwise direction, the four men are installed MAN-NORTH, MAN-EAST, MAN-SOUTH, and MAN-WEST. Thus, MAN-NORTH and MAN-SOUTH are installed on opposite sides of the card table. MAN-EAST and MAN-WEST are installed on opposite sides of the card table.

On the card table is a deck of pinochle cards, four empty wine glasses, and two ash trays.

Four women enter the room together. They are all dressed casually, in jeans and shorts, tank tops, halter tops, etc. Their specific clothes aren't important. DENISE is carrying a bottle of wine.

JENNY

Do you want to be my partner, Angy?

ANGY

Sure.

DENISE

What are we playing?

NICOLE

Pinochle.

The women all survey the scene for a moment.

DENISE sets the bottle of wine in the middle of the card table. She removes her shorts and tosses them off screen. She removes her panties and tosses them off screen.

JENNY removes her jeans and her panties and tosses them off screen.

ANGY removes her skirt and panties and tosses them off screen.

NIOLE removes her shorts and panties and tosses them off screen.

JENNY walks around the card table and sits on the the face of MAN-NORTH. She is facing the table with her back to his torso. Her legs are out from under her, under the table, and her feet are flat on the floor so that her full weight is resting on the man's face. Her bottom completely covers the man's face so that he can't breathe. JENNY will be designated the NORTH player.

ANGY walks up to the card table and sits on the face of MAN-SOUTH, directly opposite JENNY. She is facing the table with her back to his torso. Her legs are out from under her, under the table, and her feet are flat on the floor so that her full weight is resting on the man's face. Her bottom completely covers the man's face so that he can't breathe. ANGY will be designated the SOUTH player.

DENISE
(to NICOLE)
I guess we're partners.

NICOLE
(to DENISE)
I guess.

NICOLE walks up to the card table and sits on the face of MAN-EAST, who is one of two remaining free seats.. She is facing the table with her back to his torso. Her legs are out from under her, under the table, and her feet are flat on the floor so that her full weight is resting on the man's face. Her bottom completely covers the man's face so that he can't breathe. NICOLE will be designated the EAST player.

DENISE walks up to the card table and sits on the face of MAN-WEST, directly opposite NICOLE. She is facing the table with her back to his torso. Her legs are out from under her, under the table, and her feet are flat on the floor so that her full weight is resting on the man's face. Her bottom completely covers the man's face so that he can't breathe. DENISE opens the bottle of wine and pours some wine into her wine glass. DENISE will be designated the WEST player.

If any of the women smoke, they may do so in scene.

DENISE
(holding up the bottle
of wine)
Help yourselves, girls.

JENNY
Who deals?

DENISE picks up the deck of cards shuffles once, and deals one card to each player.

DENISE
High card deals.

MAN-NORTH (under JENNY) begins to struggle. JENNY ignores his struggling.

Because this is a card game, the actual play cannot be scripted. The following should be considered an outline.

JENNY flips her card over and calls it.

NICOLE flips her card over and calls it.

ANGY flips her card over and calls it.

DENISE flips her card over and calls it.

MAN-SOUTH (under ANGY) begins to struggle. ANGY ignores his struggling.

JENNY
(to the player with the
highest card)
You deal.

The player with the highest card takes the four cards back and puts them back into the deck. She shuffles the deck several times. She sets the deck to the woman to her right.

The woman to the dealer's right cuts the cards and sets the deck back down.

The dealer picks up the deck and deals one card at a time to each of the players, including herself, clockwise around the table.

DENISE
We playing racehorse or cut-throat?

MAN-NORTH (under JENNY) and MAN-SOUTH (under ANGY) are struggling severely. Their bonds prevent them from moving violently.

JENNY
Racehorse.

JENNY lifts up to let MAN-NORTH breathe.

MAN-NORTH gasps for breath and coughs severely.

ANGY
Good. That makes it seem more like we're playing with a partner.

JENNY sits back down on MAN-NORTH.

ANGY lifts up for a few seconds to let MAN-SOUTH breathe.

MAN-SOUTH gasps for breath and coughs severely.

DENISE

Remember women. It's up to each of you to remember to let your man breathe for a few seconds every minute or two.

ANGY sits back down on MAN-SOUTH.

NICOLE

Okay. I think I read that a person will pass out after, like, three minutes.

ANGY

(glances at her watch)
So about two minutes is good?

MAN-EAST (under NICOLE) begins to struggle. NICOLE ignores his struggling.

DENISE

Yeah. Two and a half, max.

JENNY

I like to go all the way to three, sometimes.

MAN-WEST (under DENISE) begins to struggle. DENISE ignores his struggling.

NICOLE

Shit, Jenny! You're fucking cruel!

JENNY

(laughs)
Yeah. So?

MAN-NORTH (under JENNY) and MAN-SOUTH (under ANGY) are struggling severely. Their bonds prevent them from moving violently.

The four women continue to play Pinochle.

INT. HOME GAME ROOM - DAY

JENNY, NICOLE, ANGY, and DENISE are playing pinochle at a card table while each sitting on the face of a man who is bound and strapped down completely immobile.

Each woman periodically lifts up to let her man breathe after he struggles for a while, but it's clear that each woman is making her man hold his breath for an uncomfortably long time each time as he struggles against his bonds for a minute or so before being allowed a breath.

The card game continues for the next hour, playing unscripted according to the rules of pinochle.

Each woman periodically takes a sip of wine from her wine glass, and refills her glass from the bottle of wine as necessary.

If any of the women smoke, they may do so in scene.

The women should improvise unscripted "girl talk" conversation during the game.

The game continues in improv for about 30 minutes making improv conversation.

After about 30 minutes, NICOLE squirms and adjusts herself.

ANGY

I'll join you. Anyone else?

NICOLE

(shrugs)

I just took a pee a few minutes ago.

The other girls all raise their eyebrows and give NICOLE a look of confusion.

ANGY

(mock surprise)

What?

JENNY

You didn't!

NICOLE

(giggles)

Yeah! I did!

DENISE

What if he's not into water sports?

NICOLE

(shrugs)

Sucks to be him, then.

JENNY
(indignant)
That's disgusting!

NICOLE
Oh yeah? I dare you to!

ANGY
I double dare you, Jenny!

DENISE
I tripe dare you!

JENNY hesitates for a moment, and then returns to sit on the face of MAN-NORTH.

MAN-NORTH
(agitated)
No! Please! Please don't pee in my mouth! Please!

JENNY sits and pinches MAN-NORTH's jaw open.

INT. HOME GAME ROOM - DAY

JENNY, NICOLE, ANGY, and DENISE are playing pinochle at a card table while each sitting on the face of a man who is bound and strapped down completely immobile.

The women end the current hand by counting their tricks.

Comparing the counts, NICOLE announces the winning team, which is either JENNY and ANGY, or DENISE and NICOLE.

All four women stand, retrieve their clothes, and get dressed.

Upon getting dressed, they take their dirty wine glasses, and leave the room.

MAN-SOUTH

Hey! What about us?

JENNY

(to the other girls)

Are we going to play again tomorrow?

NICOLE

How about tomorrow, we play poker?

ANGY

Sounds good to me!

The women leave the room, flick the light switch off, and close the door behind them.

MAN-NORTH

(shouts)

You can't leave us tied up here all night!

MAN-EAST
(shouts)
Hey!

MAN-WEST
(shouts)
Fucking bitches!
